

A Vogue Abode

1. SARAH NEDOVIC, ceramic artist, opened her Melbourne studio in 2019 with a distinctive hand-crafted style. "I love building sculptural ceramic pieces that encompass a practical element to them." Nedovic's collections, including her lighting, are handmade to order through her studio. Find out more at sarahnedovic.com and follow @sarah_nedovic on Instagram.

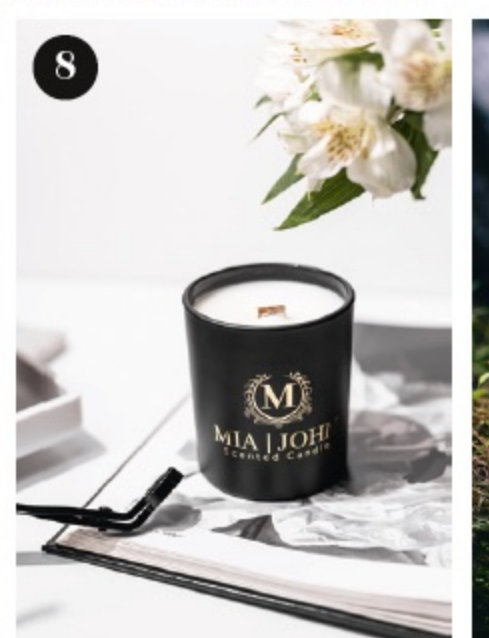

2. MOUTIFE is a Scandinavian art gallery offering a curated selection of art photography for the 21st century collector. Affordable fine art, from established and emerging artists. Browse all artworks currently for sale at moutife.com and follow @moutife on Instagram for inspiring content and art with a Scandinavian feel.

3. Boldly making its mark on the design scene, emerging lighting and décor brand **FORMAMINIMA** strives to push the boundaries of excellence and precision in traditional craftsmanship through a cutting-edge aesthetic and the synergy of Italian artisanal savoir-faire. The Lamp/Two Collection is designed to add a sophisticated touch to the most refined interiors. The featured Lamp/Two Green, Colour Edition (limited edition) juxtaposes consciously sourced Green Alpes solid marble in a crystal shade, with the fine geometries of porcelain from Limoges. Shop at www.formaminima.com and follow @_formaminima_ on Instagram.

4. LUCY MCCALL is an artist and illustrator based in Yorkshire. Lucy designs, hand makes and paints ceramics with romantic illustrations inspired by myth and folklore. Each piece is unique and individual. Her recent collections include vases, plates, bowls and dishes. For information about commissions or shop updates, visit www.lucymccall.co.uk or follow @lucy_mccall on Instagram.

5. Using Nordic wool and other natural fibres to express ideas and textures, **ELISA PENTTILÄ** turns unique woven fabrics into home textiles, bow ties and customisable one-off items. The result is a selection of carefully crafted and effortlessly beautiful products in which traditional weaving techniques meet new Finnish design. Find out more at elisapenttila.fi and follow @elisapenttiladesign on Instagram.

6. Elevate your bathroom with **BRAMSTONE**'s exquisite custom-made basins, reflecting your unique style and vision. The limitless colour possibilities, intricate patterns and colour matching allow for personalised creations that embody your story. Enjoy the added convenience of free worldwide shipping, ensuring your dream basin arrives effortlessly. Collaborate with Bramstone's design team to bring your vision to life at bramstone.co and follow @bramstone.co on Instagram.

7. PIXIE ROSE FLOWERS provide floral design, planning and styling services in the beautiful countryside of East Lothian, with high street shops where you can pop in to pick a natural and seasonal bouquet. Sister store, Pixie Rose Edinburgh is situated in one of Edinburgh's most exciting luxury hotels in the heart of the Old Town. Pixie Rose likes to support local growers where possible and always creates something a bit different to add a touch of beauty and joy to your day. Visit www.pixieroseflowers.co.uk and www.pixieroseedinburgh.co.uk and follow @pixieroseflowers and @pixieroseedinburgh on Instagram.

8. MIA|JOHN: Experience the epitome of luxury with their exquisite home fragrance collection of candles, reed diffusers, and room sprays. Each fragrance is carefully selected to offer a unique sensory experience, with scents that can transport you to different places or trigger specific emotions. Explore the range of products at www.mia-john.com and follow @miajohnco on Instagram.

9. Experience the enchanting energy of Bali at home with **FLOW**'s romantic woody scented amber diffuser. After a long-awaited global launch, this popular, luxurious beauty brand is now offering its products worldwide. Expect 100% natural ingredients, locally sourced and handmade with love in Bali. Visit flowbali.com and follow @flow.bali on Instagram.

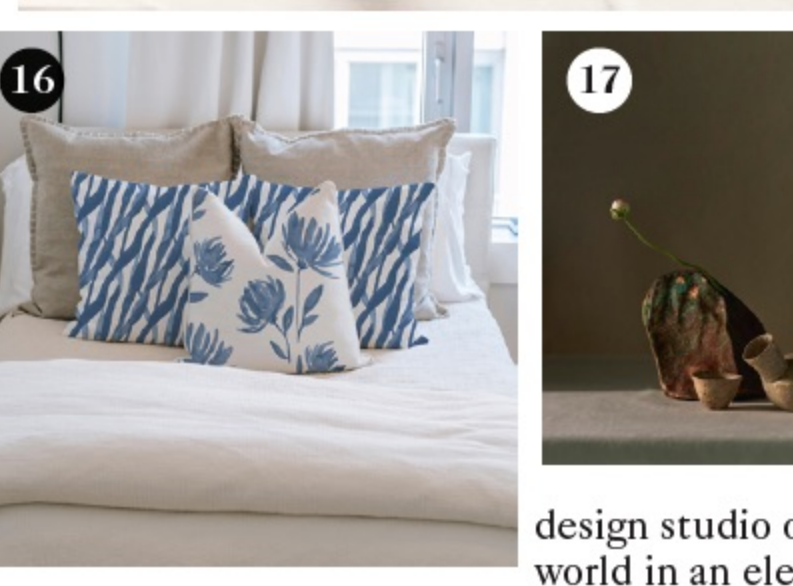

10. ESSENCE NO 1 candles are not just a beautiful addition to your home, they're a sustainable alternative for yourself and your space. Their products are designed to help you create a safe and calming space, enabling you to be unapologetically yourself. Essence No1 reminds you to take the daily pause you deserve. Visit www.essenceno1.co.uk and follow @essenceno1uk on Instagram.

11. NELLY MOSA is an eco-conscious homeware store that believes houseplants are a vital part of interior design. Curating stylish, planet-friendly décor, designed to enhance your space and boost your mood. Shop their range, including soil blends, planters and handmade candles at www.nellymosa.co.uk and follow @nellymosaltd on Instagram.

12. Stemming from a love of daydreaming and poetry, **WILD POET** creates candles with ethereal scents and an auric mood to beckon you to float into an imaginative space. Crafted from clean, sustainable ingredients, Wild Poet invites you to romanticise your everyday. Visit www.wildpoetcandles.com and follow @wildpoetcandles on Instagram for more.

13. ALTWOOD houses an ever-evolving collection of goods for life. Though the way we consume is changing, we continue to feel a magnetic pull to objects that enhance life and offer ritual for the everyday. Beyond a store, Altwood is a curated space that builds community and celebrates the work of inspired makers. Find out more at www.altwoodco.com and follow @shopaltwood on Instagram.

14. CRISTINA RODCA's "Marianas" is a captivating composition that plays with textures and evokes a sense of calm and peace through the use of blue shadows. When viewed up close the canvas allows for an immersive experience due to the textured base that adds depth and tactility to the work. Find out more at www.artbyrodca.com and follow @artbyrodca on Instagram.

15. Let the light carry your day. **EHEA LIVING**'s Teo table lamp can be used on table tops or on the floor as an uplighter. It can also be turned on its side. Find out more at www.ehealiving.com and follow @ehealiving on Instagram.

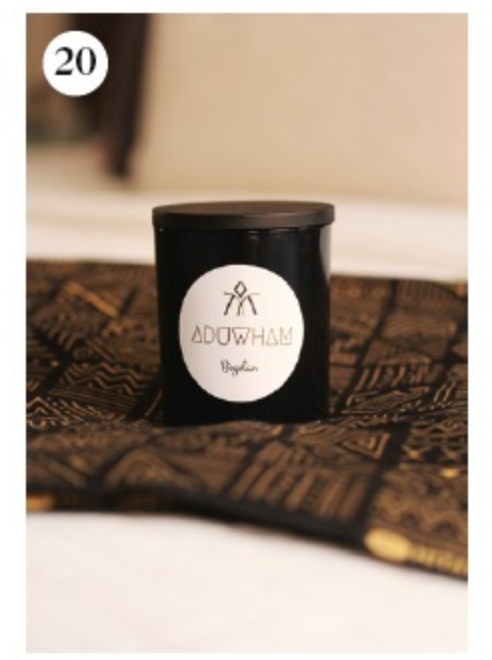

16. KRYSZTA SPULER TEXTILES is a textile and wallpaper design studio offering luxe fabric, wallpaper and pillows. Her collections are inspired by the natural world in an elevated style, yet intentionally relaxed. To shop her pillow collection or open a trade account, visit www.krystalspulertextiles.com and follow @krystalspulertextiles on Instagram.

17. YUZEMI forges connections between Japan's foremost contemporary craftspeople and the wider world — sourcing, commissioning and advising on exceptional pieces that complement the creations of interior design professionals. From utensils to centrepieces, they invite you to experience work in ceramic, glass, textiles and more. Visit yuzemi.com and follow @yuzemi.london on Instagram.

18. CLAREYP POURS offers decorative trays and pots, handmade from Jesmonite, an eco-friendly, sustainable material, derived from Gypsum mineral. The brand offers a truly unique product line, with no two items being exactly the same. Whether you are looking for a gift or home décor, ClareyP Pours will elevate the everyday. Find out more at www.clareypours.com and shop the range at Wolf & Badger. Follow @clareypours on Instagram.

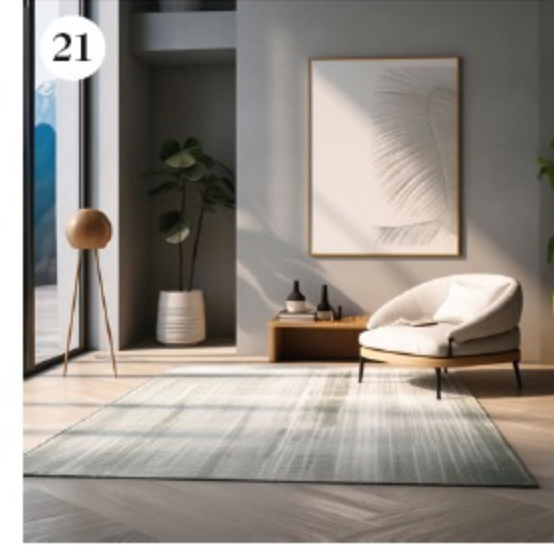

19. “The Rocket Chair” by **NORDMAN DESIGN**, Sydney. Run by twice A’ Design Prize winner and “Australia’s Next Top Designer” finalist 2023 Mac Nordman who works in a retro futuristic Scandinavian style. Nordman Design are happy to create bespoke pieces and work directly with interior designers. Visit nordmandesign.com and follow @nordman_design_ on Instagram to see more.

20. Indulge in the sensory allure of **ADUWHAM**'s sustainable luxury candles. Let the captivating scents whisk you away on a journey of pure bliss. With their elegant design, these candles seamlessly enhance any décor, creating a tranquil haven in your home. Explore the range at aduwhamfie.com and follow @aduwhamofficial on Instagram.

21. SKÖNT LIVING, rooted in Nordic aesthetics, masterfully curates furniture that harmonises functionality and style. Drawing inspiration from tranquil Nordic landscapes, it reflects elegance and modern luxury through minimalist designs, using natural materials and clean lines to capture quintessential Scandinavian craft. Find out more at skontliving.com and follow @skontliving on Instagram.

22. OTTO STUDIO is on a mission to bring bold, artful wallpaper to your space. This women-led company collaborates with artists like Zoe Schlacter to create vibrant collections printed on high-quality removable wallpaper. Shop online at www.thisottostudio.com and follow @_ottostudio on Instagram.

23. CYM WARKOV creates timeless ceramic vessels that are imbued with the qualities of both an archaeological find and a sensual modernity. Her process can be best described as an organic collaboration between herself and the materials involved in making each piece. The ongoing conversation between artist and elements recognises the elegance in simplicity and the beauty in imperfection. Warkov's textured, sculptural forms are born out of an intuitive authenticity. Shop online at www.cymwarkovceramics.com and follow @cymwarkovceramics on Instagram.

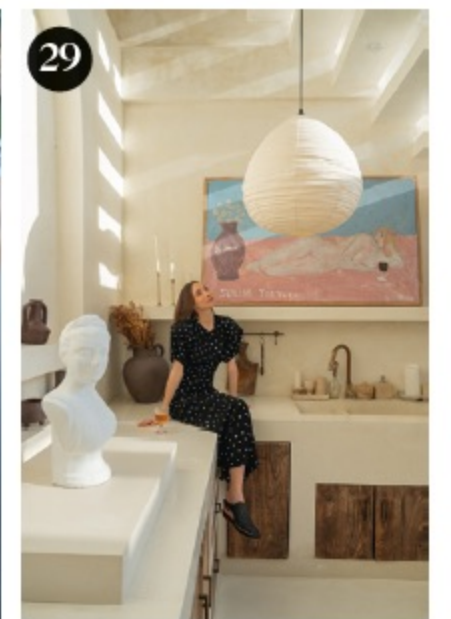

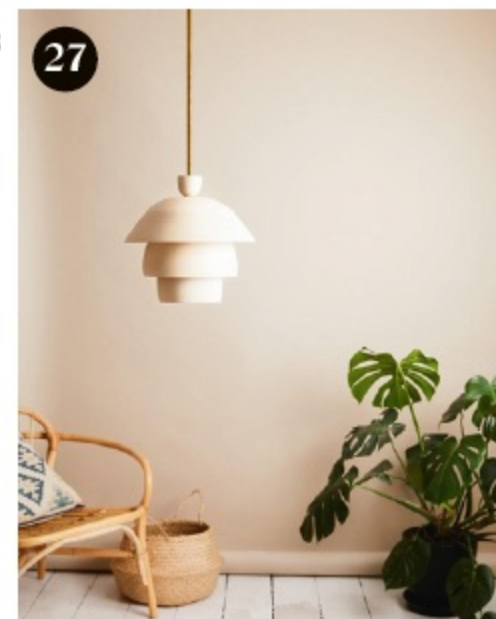

24. POTTERY LAD's stunning ceramic lamps are handmade in Brooklyn, NY by artist Emilie Goldfinger. Each piece is a meticulously crafted original, destined never to be repeated, making it a unique addition to any interior. Find out more at potterylad.com and follow @potterylad on Instagram.

25. CERAMICBYMANON is a young French artist who makes handmade pieces of art pottery. Manon chooses specific grey stoneware to depict environment and her own vision of life in constant oppositions: natural versus superficial, smooth versus rough and delicate versus brutal. Visit www.ceramicbymanon.com and follow @ceramicbymanon on Instagram.

26. Relax... and breathe, with the exotic and herby aromas of **THE LUCULLAN COLLECTION** – a beautifully fragranced array of luxury products for you and your home. Plant-based, environmentally conscious, kind to both you and our planet. For more information visit www.thelucullancollection.com and follow @the_lucullan_collection on Instagram.

27. RORY POTS crafts exquisite ceramic lighting and home goods that infuse your space with unparalleled character and functionality. Each piece undergoes a deliberate process, where it is shaped, trimmed, sculpted and glazed by hand. Blending contemporary sensibilities with the nostalgia of design eras past, their creations add that little something extra that makes your space feel like yours. Visit www.rorypots.com and follow @rorypots on Instagram.

28. Create your personal space inspired by Italian atmosphere. **MYIN DESIGN**'s creations are made in Italy and can be completely customised by designer Luciana Gomez. Craftsmanship meets digital art and gives life to unique products born from the idea that space is not a place but an experience. Visit www.myin.it and follow @myin_design on Instagram for more information.

29. PINK HALEY is a responsible lifestyle and slow fashion brand. Heritage quality goods are produced in small batches by skilled artisans. By supporting artisan handcrafting they preserve vital skills for future generations and encourage an eco-conscious approach with made-to-order and micro-batch production. Find out more at www.pinkhaley.com and follow @shoppinkhaley on Instagram.

30. EARL HOME is a family owned and operated furniture company creating heritage pieces right in the heart of Los Angeles. Their timeless aesthetic perfectly pairs with any environment, and instantly elevates every room they grace. Visit earl-home.com and follow @earl_home on Instagram to join the family.

31. IL BRONZETTO is an Italian artisan workshop based in Florence, specialising in the production of handmade, bespoke, brass and bronze lighting and furniture since 1963. The Perpetua line, inspired by the perpetual motion of water, uses drops to simplify the vast world of water. The chandelier is composed of 10 suspensions with an amber or transparent blown glass drop that hides the true light source, the LED bulb. Each drop is embellished with a decorative brass wrap around it which can be embossed, hammered or smooth. Visit www.ilbronzetto.com and follow @bronzetto1963 on Instagram.

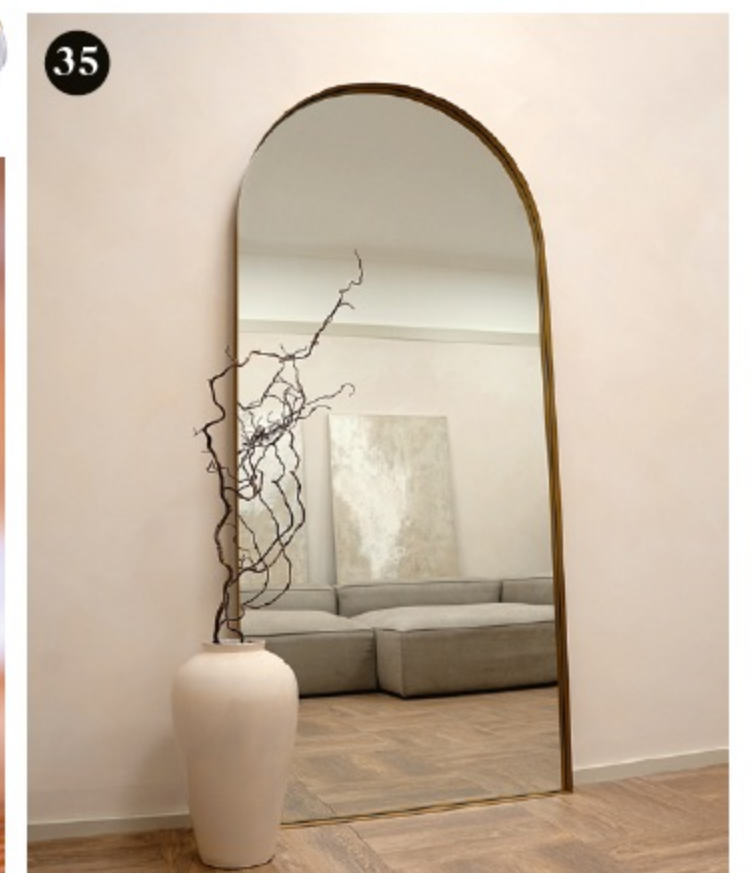

32. LITTLE BUDS luxury faux bouquets - born from the desire of busy working mum, Laura-Ann, to have fuss-free blooms in her home...even while living a hectic life. She designs carefully curated country-modern arrangements, making home-styling easy and maintenance free. Find her stunning faux bouquets at www.wearlittlebuds.com and follow @wearlittlebuds on Instagram.

33. STUDIO LLOYD is a female-owned lighting design studio based in Cape Town, South Africa. The studio is striving for diversity within the luxury handcrafted lighting & furniture design scope and creates unique and functional pieces of art. Studio Lloyd specialises in a variety of installation art, lighting and outdoor seating. Visit www.studiolloyd.com and follow @studio_lloyd on Instagram.

34. FJORD AND FABLE is a Scandinavian-inspired home fragrance brand that offers high-quality, sustainable products using 100% natural soy wax and phthalate-free fragrance. They design unique scents that evoke cherished memories, striving to create products that contribute to the stories you tell. Visit www.fjordandfable.com and follow @fjordandfable on Instagram.

35. Reinvent your living space with **WILLIAM WOOD**, the home of luxury statement mirrors & occasional furniture. Discover some of the best designs in the market with a clear focus on clean and sophisticated aesthetics. Find your next piece of home luxury at www.williamwoodmirrors.co.uk and follow @williamwoodmirrors on Instagram.
